A PEERMONT RESORT

The ultimate beach and golf destination.

Welcome to Mondazur, the gracious 4-star Resort Estate Hotel situated on a lagoon within the most sought-after and secure beach and golf coastal reserve estate in South Africa, namely San Lameer.

Located on the beautiful South Coast of South Africa's KwaZulu-Natal Province, Mondazur is just off the N2 highway, only minutes away from the popular resort town, Margate.

The Mondazur hotel has recently undergone a spectacular multi-million rand renovation to enhance its reputation as one of the most desired destinations in South Africa.

The art of harmonious living.

At Mondazur, the emphasis has been firmly placed on providing maximum in-room comfort and space. The hotel offers 8 elegantly appointed Classic Rooms, 26 Deluxe Rooms, 2 Superior Rooms, 2 Executive Rooms and 2 Suites.

Mondazur also manages the rental of more than 20 private villas cocooned in luxurious vegetation.

The Lagoon Grill, overlooking the pool and lagoon with its myriad of bird species, is open for breakfast, lunch and dinner. This restaurant serves the freshest and the most exquisite local product seafood and à la carte cuisine.

Mondazur also offers two newly renovated function rooms and 3 breakaway rooms that can accommodate banquets and conferences for delegates from 8 to 100 guests, with an outstanding range of presentation equipment in well-appointed rooms.

Manicured greens, rolling fairways and winding waterways.

The centrepiece of the Estate's magnificent domain is the championship Golf Course. The layout winds through pristine coastal flora and the tastefully constructed villas.

Besides the impenetrable bush, there is an abundance of water on the course, but conservative bail-outs are always available. It has often been said that no finer collection of par three's exists anywhere, and the 4th hole, interestingly, is almost a carbon copy of Augusta National's famous 12th.

The elegant Clubhouse Restaurant overlooks putting, green numbers 8 and 18 and you can savour the comfort of the Clubhouse Lounge, another breathtaking location of the Estate.
